

7 December 2022

Kropz Plc
(“Kropz” or the “Company”)

Management Changes

Kropz Plc (AIM: KRPZ), an emerging African phosphate producer and developer, announces management changes at Kropz and Kropz Elandsfontein (Pty) Ltd (“Kropz Elandsfontein”).

Ms Michelle Lawrence has resigned as chief operating officer of Kropz and as an executive director of Kropz Elandsfontein with effect from 1 January 2023. In order to ensure a smooth transition at Kropz Elandsfontein, Ms Lawrence will enter into a consulting agreement post 1 January 2023 which is expected to be for the first half of 2023.

Mr Mark Maynard, the current general manager of Kropz Elandsfontein will be appointed as chief operating officer with effect from 1 January 2023. Mr Maynard is a mechanical engineer with over 25 years in the mining industry. He has been involved in the day-to-day operations of the Elandsfontein project since 2016. Prior to joining Elandsfontein, Mr Maynard was involved in a various operational and strategic leadership roles at Lonmin plc.

About Kropz Plc

Kropz is an emerging African producer and developer of plant nutrient feed minerals with phosphate projects in South Africa and in the Republic of Congo. The vision of the Group is

to become a leading independent phosphate rock producer and to develop into an integrated, mine-to-market plant nutrient company focusing on sub-Saharan Africa.
