

7 April 2022

Kropz Plc
("Kropz" or the "Company")

Operational Activities

Kropz Plc (AIM: KRPZ), an emerging African phosphate producer and developer, reports that further to the announcement made on 18 March 2022, site visits with potential small local buyers of phosphate rock concentrate ("Concentrate") from its Elandsfontein operation in South Africa are underway.

Concentrate samples are being shipped to potential export buyers for review and analysis.

The Company intends to provide quarterly updates covering operating activities at Elandsfontein going forward.

About Kropz Plc

Kropz is an emerging African phosphate explorer and developer, with an advanced stage phosphate mining project in South Africa and a phosphate project in the Republic of Congo. The vision of the Group is to become a leading independent phosphate rock producer and to develop into an integrated, mine-to-market plant nutrient company focusing on sub-Saharan Africa.
